

**PROF. PhD. Eng. PANAITESCU Mariana**

Constanta Maritime University , Faculty of Electro-Mechanics, Department Engineering Sciences in Mechanics and Environment, Romania

<https://orcid.org/0000-0002-8610-9554>

[mariana.panaitescu@cmu-edu.eu](mailto:mariana.panaitescu@cmu-edu.eu)   [panaitescumariana1@gmail.com](mailto:panaitescumariana1@gmail.com)

**Scientific Title:** 1997 , PROF. PhD. in Fluid Mechanics and Hydraulics, Polytechnic University, Bucharest, Romania.

**Studies:** 1984- Bachelor's degrees in Mechanical Engineer, Hydraulic and Pneumatic Machines, National University of Science and Technology POLITEHNICA BUCHAREST, Romania; 2007- Master degrees in Economics and Environmental Management , Ecological University Bucharest, Romania ; 2009- Bachelor's degrees in General MedicineBalneo-physiokinetics therapy, Ovidius University Constanta, Romania.

**Professional experience:** 1985-1990-Engineer, Shipyard Constanta, Romania; 1990-present-Assistent, Senior lecturer, Assoc. Prof., Professor in Constanta Maritime University, Electromechanical Faculty, Engineering Sciences in Mechanics and Environment. Work published: 40 books , 130 papers; Member of professional associations: Romanian Environmental Association (2010), Romanian Water Association (2012), EENEP ( 2010), Society for promotion of renewable, inexhaustible and new sources of Energies (1999); Foreign Languages known: English, German, Rusish

**Key points of interest in research:** Higher education, Hydraulics and Fluids Mechanics, Environmental Engineering
